Who We Are

Sanabel Al Ataa Company, based in Amman, Jordan, is a leading enterprise specializing in the manufacturing of paper, cardboard, and recycling. As a proud member of the Khattab Industrial Group, our company is firmly rooted in the industrial landscape of the region.

Boasting an annual production capacity of 100,000 tons, Sanabel Al Ataa operates with a dedicated workforce exceeding 500 employees, with 20% of our workforce

being comprised of talented women. Our vision at Sanabel Al Ataa is to play a pivotal role in promoting global environmental sustainability and to lead the paper and cardboard industry in Jordan, the Middle East, and North Africa.

CEO

Mahmoud Khattab

Dear Valued Success Partners,

When partnering with Sanabel Al Ataa, you're aligning with seasoned professionals boasting decades of international trade expertise. Our meticulous approach to shipping and logistics guarantees meticulous attention to every aspect of your order sourcing. With a keen understanding of the intricate dynamics of foreign markets, we adeptly cater to the requirements of both suppliers and customers, ensuring optimal efficiency. Recognizing the inherent unpredictability of global trade, we safeguard transactions by providing comprehensive trade financing and risk management solutions. Our enduring strengths lie in strategic foresight, unwavering stability amidst uncertainty, and impeccable logistical execution, positioning us as leaders in the industry.
